

YOUR GLOBAL OPPORTUNITY

Ready to join a winning team? Take back financial freedom as a Globallee Independent Brand Ambassador.

NATURAL INGREDIENTS

Globallee is at the forefront of natural product creation and innovation. We look for nature's most effective and healthy ingredients from plants, herbs and botanicals. Globallee joins with key industry organizations including the American Botanical Council, the Natural Products Association and the Organic Trade Association.

LEADERSHIP

"Success is no accident. Your positive thoughts and positive actions produce positive results. Put all of your heart and a positive mindset into each and every action, each and every day, and you will find success!"
- Lamia Betaieb, Dubai UAE

BUSINESS STRATEGY

Globallee focuses on successful teams. We ShareUP by finding customers and we Build Up through our teams and team leaders. Our products, our leadership, and our business all empower Independent Brand Ambassadors!

TAKA

HIBISCUS HEALTHY ENERGY

REAL HEALTHY ENERGY
REAL MENTAL CLARITY
REAL GUT HEALTH
IN A TAKE-ANYWHERE PACKAGE

Bursting with a delicious tropical flavor, TAKA is an **all-in-one solution** to give your body the support and nutrients it needs to **rejuvenate** your well-being. TAKA has **no added sugar** and is packed with superfoods to help you feel **refreshed** and **energized** throughout the day.

- **Hibiscus:** Ahhh, hibiscus. Our body's long-lost best friend. Not only does Hibiscus taste great, but it helps your body feel great as well. Hibiscus helps promote healthy gut health and supports a healthy immune system.
- **Aloe Vera:** Aloe is Nature's Miracle Plant. It contains hundreds of micro nutrients that support a healthy immune system. A healthy immune system helps support healthy energy and fights off the negative effects of stress. Drink Aloe Vera - stay Healthy!
- **Ionic Minerals:** How do you think superman gained his superpowers? He took Ionic minerals. In all seriousness, Ionic Minerals are the key to millions of cellular interactions every day. When nutrients are transported into a cell, it is a delicate mineral balance that makes that happen. When waste is exported out of the cell, the delicate mineral balance is essential. Ionic Minerals super charge good health!
- **Turmeric Root:** If you want to solve problems and boost the brain, Turmeric is fantastic! This is a must have botanical ingredient from India that helps to support healthy brain function and contains tremendous anti-oxidant activity.

TAKA
